

Bays

...absolutely
spoilt for
choice...

...beaches are
kept clean and
are very safe...

Mellieha boasts of some of the largest and most beautiful bays in Malta, the most popular of which are Mellieha Bay and Armier Bay. There are also smaller sandy beaches at White Tower Bay, Ramla Bay, Paradise Bay, Mgiebah Bay, Mistra Bay and Golden Bay. All these beaches are within a short distance from the centre of Mellieha. They are generally kept clean and safe and most of them offer large stretches of shallow water, ideal for children. One is definitely spoilt for choice when spending a holiday in Mellieha. Sandunes, most uncommon in Malta, are quite visible at the White Tower Bay where one also finds the "Dragonara", a land recession worth visiting.

On the other side of White Tower Bay, one finds Dahlet ix-Xmajjar Bay and in between, a recently developed Camping Site.
