

ode to our unique heritage

dedicated to the people of Mellieħa

...past, present and future

for their endeavours and love of our birthplace

MELLIEħA

To our dear Ancestors,
who have bequeathed to us a precious
and unique heritage

To our contemporary folk,
who with their toil, are preserving our heritage, keeping
alive our traditions and identity
and developing it for future generations

To the young people,
the hope of the generations to come,
so that they will be able to appreciate the beauty of Mellieħa,
and work for its advancement by using their creativity and
genius.

May this publication be a reflection of our bond with Mellieħa
and an aid for others to grow in its knowledge and love.
